Headline:
Blustery showers tonight, occasionally wintry. Sunny spells on Saturday.

This Evening and Tonight:
A breezy evening and night with occasional blustery showers, wintry over the Derbyshire hills though not exclusively, with sleet briefly possible at low levels. Snow accumulations likely over high ground. Cold with pockets of frost and isolated icy stretches. Minimum temperature 0 deg C (32 deg F).

Saturday:
Cold, bright and breezy on Saturday, with showers fading quickly. Lighter winds and sunny spells in the afternoon, before cloud thickens and winds strengthen during the evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Sunday to Tuesday:
Windy with outbreaks of rain on Sunday, gales on the Derbyshire hills. Dry with lighter winds and sunny periods Monday and Tuesday. Feeling very pleasant, locally warm, in the sunshine.
